| Week 3<br>(w/c 15.06) | Leisure – consolidate past<br>tense                       | Ideal bedroom / home                                                                 | Holidays – conditional/ ideal<br>focus                                               | Theme 1 – Q3 – Free time<br>activities (past tense –<br>cinema/ eating out)          |
| Week 4<br>(w/c 22.06) | Cultural unit (more depth)                                | Food and drink vocabulary                                                            | Holidays – conditional/ ideal<br>focus                                               | Theme 1 – Q4 – Free time<br>activities (future tense –<br>music/ concerts/ shopping) |
| Week 5<br>(w/c 20.06) | Cultural unit (more depth)                                | Opinions on food and drink                                                           | Improving cultural<br>knowledge of TL speaking<br>countries to support L&R<br>skills | Focus on mop-up/<br>pronunciation                                                    |
| Week 6<br>(w/c 06.07) | Cultural unit (more depth)                                | Café and Market scenario                                                             | Improving cultural<br>knowledge of TL speaking<br>countries to support L&R<br>skills | Theme 2 - TBC                                                                        |
| Week 7<br>(w/c 13.07) | Cultural unit (more depth)                                | Culture – typical dishes in<br>target language countries                             | Improving cultural<br>knowledge of TL speaking<br>countries to support L&R<br>skills | Theme 2 - TBC                                                                        |

### Home learning overview – Summer term 2 – OGAT MFL

Year 10 online learning will continue alongside any face-to-face contact students have in school. Advice & guidance for content of any ‘in school’ lessons will be provided separately and will probably be unique to each school.
