

Suggested Home Learning Timetable Y7/8

- This is only a suggested timetable. You and your child may decide that you will spend more time completing work from each subject. Some subject areas will set more tasks than is suggested on the timetable, these can be completed by students additionally if they wish.
- This has been provided to support students in getting a healthy balance of work at home including time to focus on the things they enjoy.
- Work that is set will have a due date. This date is not the date they have to complete it on, the work should be completed by the deadline.
- PE classrooms will continue to set tasks for students to choose from as we encourage daily exercise.
