General Information for Parents and Guardians

What is the Hardship Fund?

The Hardship Fund is a discretionary source of financial help available to all registered full time Academy students. The aim of the Fund is to help students who have difficulties in paying for:

1. Curriculum trips, visits and year group residential (up to 100% of the cost)
2. Uniform, shoes or sports kit
3. Other materials or equipment required for their academic studies
4. Expenses to attend seminars, interviews or work experience placements
5. Emergency travel expenses
6. School meals during extended periods of unexpected school closure

Payments from the Fund are discretionary and if awarded do not need to be repaid.

Post 16 students are requested to make application in the first instance to the Bursary Fund, however this does not imply application cannot be made to the Hardship Fund.

How to apply to the Hardship Fund

An application should be made through the Principal. The application will remain confidential and will be considered by the Principal given their knowledge of the student's circumstances and the school's available resources. If approved by the Principal the application will be authorised and passed to the Academy Finance Manager to verify and action the transaction.

The payment will be made only in the following ways

- For emergency travel expenses the payment will be in cash
- For all other expenses the payment will be made through the Academy internal financial system directly to the supplier by receipt of invoice for goods purchased.
- Where a supermarket voucher is to be provided in lieu of a Free School Meal this must be for short period only while a Free School Meal application is being processed.

A student may be able to apply for hardship support at any time during the academic year. It may also be possible to apply more than once, but usually only where circumstances have not changed. Students cannot appeal a decision not to award a hardship grant as the Principal's decision is final.
